MUSKODAY ARTS FESTIVAL
2024

To Whom It May Concern:

I am writing to bring to your attention a remarkable family event organized by Muskoday First Nation Community School: the Muskoday Arts Festival - Healing through the Arts. As a committee, we are delighted to announce the third edition of this event, scheduled to take place from May 28th to June 1st, 2024.

The Muskoday Arts Festival, a revival initiated by our dedicated committee, has garnered significant attention over the past two years. We are determined to continue fostering a platform that celebrates cultural heritage, language retention, and individual talents, all while fostering a sense of pride, belonging, and positivity for a brighter future.

This year's festival spans five enriching days, each dedicated to various art forms including language, drama, fine arts, dance, and culminating in a vibrant music festival on Saturday, June 1st. Our lineup features talented performers, engaging activities for families, and an inclusive atmosphere designed to celebrate creativity in all its forms.

We are reaching out to invite your esteemed organization to support our cause in any way feasible, be it through prizes, financial contributions, or volunteer assistance. Your support would not only aid in the success of our event but also contribute to the flourishing of our community. Rest assured, all sponsors will receive due recognition, including prominent acknowledgment at the event, on promotional materials, and on our official website "muskodayarts.ca".

For further inquiries or to discuss potential collaboration opportunities, please feel free to contact the principal,

Liza Brown, at lbrown@mfncs.org, or Rhonda Bear at rbear@mfncs.org.

We extend our sincerest appreciation for considering our request and look forward to the possibility of partnering with your esteemed organization.

Warm regards,

Muskoday First Nation Community School Arts Festival Committee
